Vegetable Poetry.

Potatoes come from far Virginia:
Parsley was sent us from Sardinia;
Pumpkins, beans, and growing on the earth,
To distant India trace their birth;
But scarlet runner, gay and tall,
That run upon your garden wall—
A cheerful sight to all around—
In South America were found.
The onion traveled here from Spain,
The leek from Switzerland we gain,
Garlic from Sicily obtained.
Spinach in far Syria grows;
Two hundred years ago or more
Brazil the artichoke sent o'er,
And southern Europe's sea-coast shore
Is noted for its best oysters.
When Elizabeth was reigning here
Peas came from Holland and were dear.
The south of Europe lays its claim
To beans, but some from Europe came.
The radishes both thin and stout,
Natives of China are, no doubt.
But turnips, carrots and sea kale,
With celery so crisp and pale,
Are products of our own fair land;
And cabbage—a goodly tribe
Which all pens might well describe.
Are also ours, I understand.
—Goldsmith's Geographical Magazine.

A new material for paving is now being introduced in London. It is composed of granulated cork and bitumen pressed into blocks, which are hard like bricks or wood paving. The special advantage of the material lies in its elasticity. When used for pavement it gives a soft tread which is exceedingly pleasant, recalling the feeling of a carpet.

A COLD of unusual severity, developed into a difficulty decidedly catarrhal in all its characteristics, threatening a return of my old chronic malady, caused me to purchase of Dr. Williams' Pink Pills for Pale People. I have completely eradicated every symptom of that painful and prevailing disorder.—E. W. Warner, Rochester, N. Y.

When I began using Dr. Williams' Pink Pills I was so bad I had headache the whole time and discharged a large amount of filthy matter. That has almost entirely disappeared and I have not had headache since.—J. H. Sommers, Stephyon, Conn.

Sheep pay if properly taken care of—not ten per cent., but two hundred per cent., and money invested in them is more secure than in bank. You should remember that sheep require careful attention, and to be made proof against disease, occasionally feed them Stonebraker's Horse and Cattle Powders.

Many Persons are broken down from overwork or household cares. Brown's Iron Bitters rebuilds the system, aids digestion, removes excess of bile, and cures malaria. Get the genuine.

"POISONED!"
Two hundred and thirty-six persons died recently from the effects of poison taken in ice cream and pastries flavored with adulterated flavoring extracts. Do you want to be poisoned? Then be careful when you use flavoring extracts. To select proper material for fine flavors requires much knowledge of chemistry, without which one assumes great risk of doing harm. Ask for Stonebraker's Concentrated Flavoring Extracts. They are the world's standard and are used in the best ice cream parlors, restaurants, hotels, and homes. They are pure, and do not contain any poisonous or deleterious ingredients. They are sold in bottles of 10c., 25c., 50c., and \$1.00 per bottle.
